In terms of the South African Schools Act, parents are liable to pay the school fees determined in terms of Section 39 by **31 January every year**, unless or to the extent that he or she has been exempted from payment in terms of this Act or alternative payment timelines have been arranged. Any such application must be made on the prescribed form and will be assessed in line with WCED regulations.

It was resolved by parents at our AGM dated 24th October 2023 that **school fees could either be paid in full by 29 February 2024** (in which case R1,000 discount per learner will be applied), OR paid in **equal monthly instalments over 10 months (January 2024 to October 2024)**.

With the above in mind, please complete the reply slip below indicating which payment option you prefer and return same to school for the latest by **30 November 2023**. This information is **essential to properly manage the cashflow of the school and would prevent premature handover of your account, which would attract additional cost to you**.
