**** We are as yet unsure as to how the sports/extra curricular programme will proceed in 2021 and would strongly recommend that you purchase the basic uniform as well as other and leave the sport uniform until we have a clear view of how we will proceed in this regard. You will be duly informed of this when we are able to do so. Should you however wish to make these purchases now, please feel free to do so. Your son/daughter will be placed in a house (Milner, Stuart, De Mist) and you will be advised accordingly in the new year. Should he/she have a sibling at Golden Grove, the same house will then be allocated to him/her.
